## Father's Day Gifts for Food-Loving Dads

### **Bartule**

**\$45**

Available online at [Bartule.com](http://Bartule.com)

This all-in-one bar accessory is the only tool he'll need to start pouring cocktails in no time. The Bartule's compact design is complete with an ice bucket, bottle opener, corkscrew, jigger, citrus juicer, and an ice bucket lid that serves double-duty as a salt rimmer or wine coaster. We especially love how easy it is to neatly store.
